

Team Name: sddec21-05

Team Members: Meet Patel, Jordan Kirchoff, Chandler Hagen, Adam Marks, Zaid Kanaan

Report Period: Mar 30 - Apr 12

Summary of Progress in this Period

We completed the second version of our design document. We finalized our front end design plan with approval from Buildertrend and completed our initial design of our SQL database schema. We began a basic outline for our faculty panel presentation

Pending Issues

We are having troubles uploading our pictures and documents on the website. We will work together to figure out a solution.

Plans for Upcoming Reporting Period

We'll use the feedback from the TA and our faculty member to refine and finalize sections 3 and 4 of the design document and we will complete sections 5 and 6 for the final version. We will also complete the reflection and news report assignments. We will test our database schema and begin implementing our project. We will complete, revise, and practice our faculty panel presentation.
